MONDAY EVENING, MAY 30.

THEY WANT THE EARTH.—The Academy of Music, New York, was crowded to the doors last night, the occasion being the regular weekly meeting of the Anti-poverty Society. The chief speakers were Dr. McGlynn and Henry George.

"We want the earth," said Dr. McGlynn. "We want the land because we want the kingdom of heaven, because He has given it to us. We want it not so much as a right, but as a duty. Because He has laid it before us as a duty never to surrender it." Speaking of labor and its blessedness, he spoke of Christ as an humble laborer, and his birthplace was not a marble palace. The object of the new crusade was to really preserve the sacred rights of property, to enforce the commandment of "Thou shalt not steal." If the men clad in purple and fine linen, who sit in high places in the synagogue, and presume even to look the gate of heaven, go on as they are going, the day is not far distant when you will have to come to theaters to get your religion. If the Son of Man were to appear to-day, he would not be permitted to preach in any Christian pulpit. His manner, his attire, his doctrines would seem too strange to those who assume to represent him.

Delicate diseases of either sex, however, induced, radically cured. Address, with 10 cents in stamps for book, World's Dispensary Medical Association, Buffalo, N. Y.
